Dear Mr. Fucik:

On behalf of the National Model Railroad Association, I am pleased to inform you that the following product has been inspected and found to be in conformance with the Standards of the National Model Railroad Association:

**MP1 16 slow motion switch machine decoder**

By meeting the NMRA's rigorous requirements, **Conformance Warrant 2018-0005** has been issued for this product and will be added to the NMRA Conformance Warrant List.

You are hereby granted permission and encouraged to proudly display the NMRA Conformance Seal on the product listed above and in your advertising. Other cars that use the same frame, couplers and wheels may also use this conformance warrant number.

We appreciate your support of and participation in the NMRA Conformance and Inspection Program.

Very truly yours,

A handwritten signature in black ink that reads "Didrik A. Voss".
